

March 2018

Dear supporters,

Thank you so much for your faithful prayers and messages of support during our interviews over the past week. We are delighted to announce that we have appointed Jane Webber as our new schools' worker.

Jane is from Exeter and is currently studying for a BA in applied theology, with a focus on children and schools work. As part of that she is working with ISCA Church in Exeter as a children, schools and family worker.

She has 12 years' experience as a college lecturer and four years working with primary children, and has also worked in the beauty industry.

She and husband Matt will be looking to move to the Oswestry area over the summer so that she is ready to start work in September. They have asked for prayer to find a home and with the settling in process, for Matt to find a job in the area, and that they would know God's purpose for them in the area.

Please continue to pray with us as we prepare for this new season in the project's work.
